**3PV<sup>®</sup> Ranked 17<sup>th</sup> Among Top 100 Companies for Working Families**  
***Orlando Sentinel Honors Firm for Outstanding Benefits, Work Environment***

**Orlando, Fla. (August 7, 2007)** -- 3PV<sup>®</sup> – Third Party Verification Inc., a leader in complete verification solutions, has been named 17<sup>th</sup> on the Orlando Sentinel's 2007 list of Top 100 Companies for Working Families in the category of firms with fewer than 249 employees. The award honors employers who provide outstanding benefits, work environment, communication, and training for their employees.

To be chosen for the 14<sup>th</sup> annual Top 100 list, companies had to meet a strict set of guidelines determined by a panel of judges consisting of leaders in the human resources field. Some of the criteria judges reviewed for selecting honorees for the list included: health and life insurance, flexible spending accounts, 401K accounts, childcare, maternity/paternity leave, elder care programs, flextime, employee rewards, internal communications vehicles such as newsletters and Intranets, tuition reimbursement, and training programs. Previous winners have included some of the leading employers in Central Florida.

The award marks the first time 3PV entered the competition and was named to the list. The company employs 50 employees in its 13,450-square-foot headquarters and call center in Altamonte Springs, Fla.

“Being ranked 17<sup>th</sup> on the Top 100 list of companies affirms our commitment to the cornerstones of our business – insight, imagination and innovation,” said David Brinkman, 3PV’s chief executive officer. “Delivering these hallmarks of our leading-edge information technology means hiring smart people, giving them the tools to do their jobs, supporting them with strong benefits, and inspiring them with an open and flexible work environment.”

**About 3PV® – Third Party Verification, Inc.**

3PV is a cutting-edge information technology company that specializes in creating one-of-a-kind break-through solutions for complex business challenges. As its latest innovation, *AssureSign™* document processing technology permits clients to facilitate transactions in an all-digital, high-security environment. With *AssureSign™*, businesses can design, implement, control, and expedite work flow processes and provide evidence of contractual acceptance with electronic signatures. It allows companies to quickly obtain e-signatures while maximizing workflow oversight and control.

3PV also is widely respected as the leader in speech-enabled, live-agent and online third party verification (TPV) and call-recording services for the cable and telephony industries, including both circuit switch and VoIP customers. The company is the first to employ speech-enabled verification, an integrated call-back solution, a full-time regulatory compliance officer and a patent-pending eLOA™ (electronic letter of agency). With documented industry-leading verification completion rates higher than 95%, all 3PV verification solutions meet or exceed FCC, FTC and state requirements for carrier, utility and commercial services. 3PV’s state-of-the-art carrier-grade facility ensures service uptime, security and reliability.
