**Vonage Extends Contract with 3PV[®] as Exclusive Verification Partner
To Provide Streamlined Customer On-boarding**

Orlando, Fla. (June 8, 2009) -- 3PV[®] – Third Party Verification, Inc today announced that it has renewed its contract with Vonage Network, LLC f/k/a Vonage Network Inc a Delaware limited liability company (assignee of Vonage Holdings Corporation) (NYSE: VG), a leading broadband telephony provider, as the exclusive provider of third party verification services.

The extended partnership with 3PV enables Vonage customers to expedite completion of the necessary paperwork required to port their number from their existing carrier to Vonage. 3PV provides Vonage with a number of services, including interactive voice response (IVR) verification, live agent verification, outbound calling, and eLOA[®], 3PV's patent-pending electronic Letter of Agency, a binding, FCC-compliant verification customers complete electronically

“We are delighted to continue our partnership with Vonage as their verification partner,” said 3PV’s CEO, David Brinkman. “Our partnership with Vonage highlights 3PV’s versatility and ability to extend our value proposition beyond what is considered typical third party verification services. Through custom services and tight integration to Vonage’s business processes, both companies continue to benefit from this partnership.”

About Vonage[®]

Vonage (NYSE: VG) is a leading provider of broadband telephone services with 2.6 million subscriber lines. Our award-winning technology enables anyone to make and receive phone calls with a touch tone telephone almost anywhere a broadband Internet connection is available. We offer feature-rich and cost-effective communication services that offer users an experience similar to traditional telephone services.

Our Residential Premium Unlimited and Small Business Unlimited calling plans offer consumers unlimited local and long distance calling, and popular features like call waiting, call forwarding and voicemail -- for one low, flat monthly rate.

Vonage's service is sold on the web and through national retailers including Best Buy and Wal-Mart Stores Inc. and is available to customers in the U.S., Canada and the United Kingdom. For more information about Vonage's products and services, please visit <http://www.vonage.com>.

Vonage Holdings Corp. is headquartered in Holmdel, New Jersey. Vonage(R) is a registered trademark of Vonage Marketing Inc., a subsidiary of Vonage Holdings Corp.

About 3PV® – Third Party Verification, Inc.

3PV is a cutting-edge information technology company that specializes in creating one-of-a-kind breakthrough solutions for complex business challenges. The company is widely respected as the leader in speech-enabled, live-agent and online third party verification (TPV) for service providers. The company was the first to employ speech-enabled verification, an integrated call-back solution, a full-time regulatory compliance officer and a patent-pending eLOA® (electronic letter of agency). With documented industry-leading verification completion rates higher than 95%, all 3PV verification solutions meet or exceed FCC, FTC and state requirements for carrier, utility and commercial services. 3PV's state-of-the-art carrier-grade facility ensures service uptime, security and reliability.
