3PV® Management Biographies

David W. Brinkman, Chief Executive Officer

David W. Brinkman, who has been an entrepreneur in the technology industry since 1985, served as a computer programmer for Health Technologies and project manager at Virtual Technologies Inc. before co-founding 3PV in 1999. Since then, he has been involved in the development of some of the most innovative applications available in the third party verification field. Under his leadership, 3PV has grown its client base by more than 500 percent in two years and consistently provided superior verification results to the most demanding of customers. Brinkman serves on the CEO Council for COMPTEL. In his spare time, he is a golfer and a volunteer pilot for Angel Flight. Brinkman is married with two children.

Dale W. Combs, President/Chief Technical Officer

Dale W. Combs co-founded 3PV in 1999. A 30-year veteran of the information technology industry, Combs had held many prestigious positions, including director of research at EBS Inc., director of research at Travelers Insurance Company, vice president of software development at Virtual Technologies Inc. and co-owner and president of 3PV's sister company Marketing Systems Group Inc., a software development company specializing in legacy telecommunications systems integration. Combs holds a bachelor's degree in computer science from the University of Kentucky and is a graduate of the Institute of Computer Science. Combs is married with two daughters.
